Child Family Health International provides community-based Global Health Education Programs for students and institutions, as well as research and advocacy to advance global health experiential learning standards. Our unique model fosters reciprocal partnerships and empowerment in local communities—transforming perspectives about self, healing and global citizenship.

Updates

In 2019, CFHI...

- Assembled an exemplary Alumni Advisory Board of diverse Global Health professionals
- Revised pre-departure trainings for students enrolled in our Global Health Education programs
- Presented key initiatives on Planetary Health at the Horasis China Meeting in Las Vegas, among other key speaking engagements
- Partnered with Canopy, a leading provider of online Medical Spanish courses, to equip students for more successful Global Health Education programs with Spanish components
- Launched a new program in Ghana exploring the intersection of social work, public policy, and healthcare in an international setting
- Along with the University of California, Davis, received Diversity Abroad's Excellence in Diversity & Inclusion in International Education award
- Named Robin Young, MBA as CFHI Managing Director
- Named Moira Rogers, PhD as CFHI Director of Programs
