## JOIN THE CFHI ACADEMIC PARTNERSHIPS NETWORK

CFHI is a non-profit organization offering ethical, sustainable, Fair-Trade global health opportunities to interprofessional undergraduate and graduate students and academic institutions.

### WHY PARTNER WITH CFHI?

**Value alignment:** Programs follow Fair Trade Learning Principles, asset-based approaches, and relevant legal and regulatory frameworks. We prioritize meaningful partnerships and ethical placements for students.

**Global Collaboration:** Expand your programs with CFHI's trusted support network of longstanding partners in India, The Philippines, Ghana, Uganda, South Africa, Mexico, Costa Rica, Bolivia, Ecuador, and Argentina.

**Expertise:** Tap into CFHI's experience in pre-departure training, curriculum design, and educational placements in clinical and public health settings.

**Admin Support:** We handle registration, in-country logistics, and student pre-departure preparation.

**Customization:** co-create a program curriculum to align with your learning outcomes within the context of CFHI's partnerships.

**Health & Safety:** Leverage CFHI's robust risk management infrastructure, including insurance, 24/7 incident response, mental health support, and more.

CFHI has a process for universities to partner with us to launch, expand, or improve global health experiential offerings. CFHI looks for value alignment and general fit when considering academic partnership applications. Any faculty or administrator can put in an application.
