The Registry uses the information in the administration and enforcement of the Act, including to register, renew, or update your organization's registration or to prepare reports pursuant to the Act. The Attorney General may also use the information for additional purposes, including in support of investigations and law enforcement actions, providing public access to information as required by the Act (Gov. Code §§ 12587, 12587.1, 12590), and making referrals to other law enforcement agencies. Any personal information collected by state agencies is subject to the limitations in the Information Practices Act and state policy. The Department of Justice's general privacy policy is available at <u>www.oag.ca.gov/privacy-policy.</u>

Providing Personal Information. All the personal information requested in the form must be provided. An incomplete submission may result in the Registry not accepting the form, and cause your organization to be out of compliance with legal requirements to operate in California.

Access to Your Information. The completed form is a public filing that will be made available on the Attorney General's website at <u>www.oag.ca.gov/charities</u> pursuant to the public access requirements of the Act. You may review the records maintained by the Registry that contain your personal information, as permitted by the Information Practices Act. See below for contact information.

Possible Disclosure of Personal Information. In order to process the applicable registration, renewal, registration update, application, or report, we may need to share the information on this form with other government agencies. We may also share the information to further an investigation, including an investigation by other government or law enforcement agencies. In addition, the information is available and searchable on the Attorney General's website.

The information provided may also be disclosed in the following circumstances:

- With other persons or agencies where necessary to perform their legal duties, and their use of your information is compatible and complies with state law, such as for investigations or for licensing, certification, or regulatory purposes;
- To another government agency consistent with state or federal law.
